

The Index

People, homes, farms and businesses

The index for this book is divided into sections.
Each section contains an alphabetical list of entries.

The sections are:

The Businesses of Stalbridge and The Sale

The Grosvenor Family

The Homes, Farms and Buildings

The Professionals, Tradespeople & Residents

For obvious reasons, these 'indices' do not contain the word 'Stalbridge', but the people section, for example, will contain the words 'Lord Stalbridge', 'Lady Stalbridge' etc. We hope you find this system easier to use, rather than a 'standard index', which might contain every single entry in alphabetical order.
